The Clear Alternative

CLEAR PEA PROTEIN

CLEAR PEA PROTEIN PEPTIDES is designed to absorb quickly, contain high protein and strong PDCAAS, offering a clean taste with very little colour.

CLEAR PEA PROTEIN PEPTIDES has exceptional performance in beverages, RTD's, stick packs and gummies.

CLEAR PEA PROTEIN PEPTIDES is made up of extremely soluble hydrolyzed peptides, which provides ease of formulation in numerous delivery formats, and it is also easy to flavour.
